No	Activity	Contact Hours
1	Lecture	45
2	Laboratory/Studio	
3	Tutorial	
4	Others (specify)	
	Total	45

B. Course Objectives and Learning Outcomes

1. Course Description

This course is a continuation of the course Listening and Speaking-1 ENG-3/111. It is a three credit hour course that gives emphasis on how the students are able to understand and comprehend the main points as well as the sub-points of a conversation, a discussion or a lecture. This course also focuses on students' ability in introducing and expressing themselves in different situations, giving a presentation, telling a story etc. The students will also be able to know some grammatical items as they are needed to write what they listen.

2. Course Main Objective

This course will help develop students' comprehensive understanding and using of conversational language in different topics. It also enable students to express themselves in English and give their opinions confidently. The course improve students' presentation and discussion skills including their critical analysis for different issues. They will get enrich in English vocabulary with more advanced and complex words. It also prepare students for Standardized tests like TOEFL iBT.
