E –mail : aichatasra@gmail.com / atasra@jazanu.edu.sa

Teaching is not an easy task, but it makes me feel happy especially when I see my students progressing in their English learning.

My aim is to bring an open mind, a positive attitude, and high expectations to the classroom each day. I believe that I owe it to my learners, as well as the community.

Help students to reach their aim of learning English through providing necessary, useful activities, be kind, patient and show interest in what they are saying and presenting.

Work Experience:

Since 2015: Teaching English at Jazan University, Saudi Arabia.

2013_2015: Taught 'English for Communication' within the ASMADEC: tourism institute in Rabat.
