Career Objectives

-  To find a challenging position to meet my competencies, capabilities, skills and education.
-  To build a long-term career in the field of Education with opportunities for career growth.

Teaching Philosophy

My philosophy of education is that all Students are unique and must have a stimulating educational environment where they can grow physically, mentally, emotionally, and socially. It is my desire to create this type of atmosphere where students can meet their full potential. I will provide a safe environment where students are invited to share their ideas and take risks.
