TEACHING PHILOSOPHY

I will strive to create a fun and inventive, educational atmosphere where students participate in learning and see English language easy to learn. I believe it is substantial to encourage students to express their ideas and encourage communications skills inside and outside the classroom.

TEACHING GOALS

- To build a long-term career as an English teacher in a position that offers opportunities for career growth, and to keep up with cutting-edge teaching technologies.
- To develop and promote creativity and high-order thinking skills that increase the performance of the students.
