# **Research Proposal Template**

Note: Your proposal should be a maximum of 2,000 words, in addition to your timetable and references or a short bibliography. We do not expect the proposal to be perfect at this stage, nor do we expect you to stick to it very closely as your ideas will almost certainly change once you start to study, but we do expect you to write it as follows:

## I. Purpose/ Background

Give a brief reason for the research by letting the reviewer know what is already known or unknown (Previous researches on the topic)
