

Dr. Khurshid Ahmed Mattoo

Personal / Contact Information

Date of Birth: 04/01/1967
Current Address: House no 6771, Street no 25, Near Masjid Khadija, Hayal Mathar, Jazan (Saudi Arabia)
Permanent address: Mattoo House, Rajbagh extension, Srinagar, J&K, India, 190008
Nationality: Indian
Email: drkamattoo@rediffmail.com, kmattoo@jazanu.edu.sa

Qualifications

Bachelor of Sciences (Kashmir university), Bachelor of Dental Surgery (Mysore University), Master of Dental surgery (Prosthodontics) (Rajiv Gandhi University of Health Sciences)

Education

Institute	Degree	Year
Bapuji Dental College and Hospital, Rajiv Gandhi University of health sciences, Karnataka, India	Masters of Dental surgery in prosthodontics including crown and bridge and Implantology	1999
Bapuji Dental college and hospital, Mysore University, Karnataka, India	Bachelor of Dental surgery.	1995
Amar Singh college, Kashmir University, Jammu And Kashmir, India	Bachelor of Sciences` `	1988

Professional Licenses / Certifications

Institute/Commission	Accreditation	Year
Jammu & Kashmir State Dental Council	Master in dental surgery	2002
Jammu & Kashmir State Dental Council	Bachelors in dental surgery	1995

Work Experience (B) Administrative Experience

Post	Location	Period	
		From	To
		Month year	Month year
Assistant professor	College of Dentistry, Jazan University, Saudi Arabia	Sept 2013	Till date
Professor	Subharti Dental college, Swami Vivekananda Subharti University, Meerut, India	January 2010	June 2013
Reader / Assistant professor	Subharti Dental college, Swami Vivekananda Subharti University, Meerut, India	June 2006	January 2010
Reader / Assistant professor	Baba Jaswant Singh Dental College, Ludhiana, India	January 2005	April 2005
Reader / Assistant professor	Dasmesh Institute of Research in Dental Sciences, Faridkot, Punjab, India	Dec 2003	January 2005
Senior lecturer	Dasmesh Institute of Research in Dental Sciences, (Faridkot) Punjab India	Dec 2000	Dec 2003

Work Experience (present)**Academic Courses**

Course	University	Credits	
		Theory	Practical
Clinical removable prosthodontics I	College of Dentistry, Jazan University, Saudi Arabia	1	2
Clinical removable prosthodontics I	College of Dentistry, Jazan University, Saudi Arabia	1	2
Clinical Fixed Prosthodontics I	College of Dentistry, Jazan University, Saudi Arabia	1	3
Clinical Fixed Prosthodontics I	College of Dentistry, Jazan University, Saudi Arabia	1	3
Advanced Prosthodontics	College of Dentistry, Jazan University, Saudi Arabia	1	2
Dental Implantology I	College of Dentistry, Jazan University, Saudi Arabia	1	0
Dental Informatics	College of Dentistry, Jazan University, Saudi Arabia	1	0

Post	Location	Period	
		From	To
		Month year	Month year
Academic advisor	College of Dentistry, Jazan University, Saudi Arabia	Sept 2020	Till date
Reviewer, examination review committee	College of Dentistry, Jazan University, Saudi Arabia	Nov 2019	Till date
Proctor	Swami Vivekananda Subharti University, Meerut , India	April 2010	June 2013
Vice president, Sports committee	Swami Vivekananda Subharti University, Meerut , India	April 2009	June 2013
In-charge, Dental stores	Dashmesh Institute of Research in Dental Sciences, Faridkot, India	January 2002	January 2005
Chief organizer, Annual dental camp	Dashmesh Institute of research in Dental Sciences, Faridkot, India	January 2001	January 2005
Chairman , Purchasing Committee	Dashmesh Institute of Research in Dental Sciences, Faridkot, India	January 2002	January 2005

Academic Workshops

Institute/ Center	Title	Year
College of Dentistry, Jazan University, Saudi Arabia	Student assessment	Aug 2020
College of Dentistry, Jazan University, Saudi Arabia	Professional use of blackboard	March 2020
College of Dentistry, Jazan University, Saudi Arabia	Key performance indicator orientation SDS department	May 2020
College of Dentistry, Jazan University, Saudi Arabia	Principles of writing course specifications and reports in the new NCAA template	Dec, 2019
College of Dentistry, Jazan University, Saudi Arabia	Curriculum development reform	Dec, 2019
College of Dentistry, Jazan University, Saudi Arabia	General orientation program for BDS accreditation	Dec, 2019
College of Dentistry, Jazan University, Saudi Arabia	Second orientation program - BDS program at a glance	Dec, 2019
College of Dentistry, Jazan University, Saudi Arabia	Instant course learning outcomes	Oct 2019

College of Dentistry, Jazan University, Saudi Arabia	The objective structured clinical examination	April 2019
College of Dentistry, Jazan University, Saudi Arabia	Principles of teaching and learning	April 2019
College of Dentistry, Jazan University, Saudi Arabia	Guidelines for designing valid and reliable assessment tools	Dec 2018
College of Dentistry, Jazan University, Saudi Arabia	Assessment of Learning Outcome (Non-Rubric Assessment)	Dec 2018
College of Dentistry, Jazan University, Saudi Arabia	Assessment of Learning Outcome (Rubric-Based Assessment)	Dec 2018
College of Dentistry, Jazan University, Saudi Arabia	Basics in Blackboard	Dec, 2018
College of Dentistry, Jazan University, Saudi Arabia	Writing an updated form of Course Report	Dec, 2018
College of Dentistry, Jazan University, Saudi Arabia	Writing a course report based on NCAAA guidelines	Feb 2018
College of Dentistry, Jazan University, Saudi Arabia	Writing a course specification based on NCAAA guidelines	Feb 2018
College of Dentistry, Jazan University, Saudi Arabia	Cardio- pulmonary resuscitation	Dec,2013
Swami Vivekananda Subharti University	"VITA -VM9	March 2012
Swami Vivekananda Subharti University	"Basic techniques in cleft surgery"	Nov 2006
Swami Vivekananda Subharti University	"Teaching /learning in medical education"	Nov 2006

Professional Development (Conferences, workshops, courses,.....)

Name	Location	Date
<i>Conferences</i>		
Jazan International Dental Conference	Jazan, Saudi Arabia	Nov, 2017
10 th national conference "Indian association of forensic Odontology"	Ghaziabad,(UP)	7 th - 9 th , Sept 2012
8 th national conference "Indian association of forensic odontology"	Lucknow, India	30 th -31 st Oct, 2010
XXIV conference of Indian prosthodontics society	Dharwad, Karnataka, India	29-30 th Nov, 1996
First south zone and XVIII Karnataka state dental conference	Davangere, Karnataka, India	2 nd - 3 rd Dec, 1989

Continuing dental education programs and courses

"All ceramics - beauty with strength"	Meerut, UP, India	March 2012
"Challenges in oral pathology"	Meerut, UP, India	Dec 2010
"Diagnosis, treatment planning and management of dentofacial deformities - craniofacial implants and facial prosthesis"	Meerut, UP, India	Nov 2007
"Success of implants - Prosthodontics' consideration"	Meerut, UP, India	Oct 2006
"Periodontics at Subharti"		Sept 2006
"Consultations and referrals "	Al-ahsa, Saudi Arabia	Dec 2005
"Endodontic emergencies and management"	Al-ahsa, Saudi Arabia	Nov, 2005
"Endodontic mishaps management"	Al-ahsa, Saudi Arabia	Aug, 2005
"Pulpotomy made easy"	Al-ahsa, Saudi Arabia	June, 2005
"Metal free ceramics - the future of dentistry"	Meerut, UP, India	Sept 2002
"Future dental professionals" by Colgate, IDA	Karnataka, India	Oct, 1997

Memberships

Member, Indian Prosthodontic Society

Member, Indian Society Of Forensic Dentistry

Faculty, Dental council of India

Community services

Name	Location	Date
Chief organizer, annual dental camp	DIRDS, Faridkot, Punjab	March 2001-2004
Blood donation	Chattrapati shivaji subharti hospital	June 2011
Blood donation	Chattrapati shivaji subharti hospital	June 2012

Publications (Book, Articles, Poster Presentation)

Title	Journal	Date
Articles		
Managing Prosthodontic (Geriatric) Patients during the SARSCoV- 2 Pandemic	Journal of international oral health	Accepted
Comparative evaluation in linear dimensions among various interocclusal recording materials at various mounting times - An In Vitro Study	World journal of dentistry	Accepted
Association between parental negligence in feeding and social activity of obese adults among jazan population	Niger J Clin Pract (ISI Indexed Journal)	Oct 2020
Relation between facial and dental midlines : an invivo study.	Singapore J. Sci. Res	Aug, 2020
Determining the need of a coping and/or its number/type in a tooth supported overdenture	J Adv Med Dent Scie Res	Oct, 2020
Chairside replacement of artifical maxillary anterior teeth in existing complete denture prosthesis	EAS Journal of Dentistry and Oral Medicine	Aug, 2020
Vestibuloplasty as an aid to enhance complete denture stability	Journal of Medical Science And clinical Research	April, 2020
Undergraduate pupils clinical accomplishments in clinical fixed prosthodontic course (SDS-543) - Case series	JMSCR	April, 2020
Role of Periodontal Evaluation in Tooth Supported overdenture.	Journal of Health Science Research	May, 2020
Role of overjet and overbite fixed partial denture aesthetics	EAS J Dent Oral Med	April, 2020
Perceived oral health status and treatment needs of dental students	Natl J Maxillofac Surg	June, 2020
Parental neglect of feeding in obese individuals: A review of scientific evidence and its application among saudi population	Saudi Med J (ISI Indexed Journal)	May, 2020
Lip Pit without a Pit - A Case Report	Arch Clin Case Stud	Jan, 2020
Influence of Parental Physical Activity and Screen Time on the BMI of Adult Offspring in a Saudi Population.	Healthcare (ISI Indexed Journal)	April, 2020
Flabby ridge management by unconfining freely flowing impression material.	International Journal of Medical Reviews and Case Reports	2020
Designing a richmond crown possesing two different axial (root/core) inclinations	J Adv Med Dent Scie Res	June, 2020

Creating oral musculature balance in a mandibular complete denture.	International Journal of Medical Reviews and Case Reports	Sept, 2020
Conscience - An Endangered Human Value	Arch Clin Case Stud.	Jan, 2020
An 2/2 Implant Overdenture	Journal of Clinical Research in Dentistry	Feb, 2020
Technique for Recording Neutral Zone with a Soft Liner	Journal of Clinical Research in Dentistry	Dec 2019
A Need for Medical-Dental Communication in Acquired Palatal Perforation Cases in Developing Nations	East African Scholars Journal of Medical Sciences	Sept 2019
Abridged duplication of palatal rugae for complete denture prosthesis	SSRG International Journal of Medical Science	2019
Analysis of rugae pattern morphology and their comparative differences in a Jazan population sample	Saudi J Forensic Med Sci	2019
Applying the principle of hydraulic press for recording flabby tissue.	East African Scholars J Med Sci	April 2019
The hazard of treatment by dental quack - non recognition of underlying systemic disease	Journal of Advanced Medical and Dental Sciences Research	March 2019
The Need of Additional Tissue Relief Required under a Minor Connector.	J Clin Res Dent	Feb 2019
Salivary reservoir - low and high volume techniques.	SSRG-IJMS	Feb 2019
Placing an implant fixture during ongoing orthodontic treatment.	SSRG-IJMS	Feb 2019
Orthognathic surgery as part of pre prosthetic mouth preparation.	JMSCR	2019
Implant Supported Mandibular Overdenture - Case Report	J Adv Med Dent Scie Res	May 2019
Impact of anterior guidance in designing of All-ceramic anterior fixed partial denture - Case Report.	J Adv Med Dent Scie Res	2019
Immediate Complete Denture With A Denture Try In - Case Report.	SSRG-IJMS	April 2019
Hairy Tongue in an Elderly Neglect Patient.	Mod App Dent Oral Health	2019
Full Mouth Rehabilitation in an Occupationally Stressed Bureaucrat.	JMSCR	2019
Flabby Ridge Management Using Paint on Technique - Meticulous Review.	JMSCR	2019
Comparative Clinical Evaluation of Elder Abuse Impact Upon Prosthesis Maintenance In Geriatric Patients.	Gerontology And Geriatric Research	2019
Classifying Elder Abuse - A Review.	Gerontology And Geriatric Research	2019

Centric relation recording in completely edentulous patient with a severe skeletal class 2 ridge relation.	J Adv Med Dent Scie Res	2019
Bony Exostoses on Hard Palate - Prosthetic Inferences.	Archives of Dentistry and Oral Health	March, 2019
Low volume salivary reservoir in complete denture prosthesis for xerostomia	Journal of case reports: clinical and medical,	Feb, 2019
Double lip correction for enhancing complete denture aesthetics.	Journal of case reports: clinical and medical	Feb, 2019
Determining the cast core inclination in absence of guidance from natural teeth - a distinctive clinical technique	J Med Sci Clin Res	July 2019
Complete Edentulous Rehabilitation of a Down's syndrome Patient Also Being Treated for Schizophrenia	JMSCR	July 2018
Gender Differences in Terms of Recalling Treatment Instructions - An in Vivo Study	J Med Sci Clin Res	July 2018
Full mouth rehabilitation involving multiple cast post core as foundation restorations - case report	Int J Med Res Pharmac Sci	July 2018
Assessing the validity and reliability of a questionnaire to identify existence of parental neglect in terms of developing feeding style and social activity in obese adult saudi population	J Med Sci Clin Res	April,2018
An analytical survey to define the dimensions of a scaled questionnaire that would determine the existence of parental neglect in environmentally modulated obese subjects - A pre - pilot and pilot study	International Journal of Medical Research and Pharmaceutical Sciences	March 2018
Radiographic evaluation of Post-core restorations fabricated by Dental Students at Jazan University	Journal of Contemporary dental practice	January 2018
Spring Fixed Partial Denture Designing	International Journal of Medical Research and Pharmaceutical Sciences	Oct 2017
Significance of Anterior Guidance in Selection of Posterior Teeth	Open Access Journal of Dental Sciences	Oct 2017
Characterizing Single Complete Denture Opposing Natural Teeth and Partial Denture	Open Access Journal of Dental Sciences	Oct 2017
Partial veneer retained fixed partial denture in conjunction with cantilevered bridge to fulfill the objective of patient perceived aesthetics	Annals of International Medical and Dental Research,	Sept 2017
Biofilm formation on dental materials in the presence of Khat: Review	JSM Dent	Sept 2017
Full mouth rehabilitation comprising metal collar restorations - case report	International Journal of Medical Research and Pharmaceutical Sciences	Sept 2017

Utilizing a computer mouse for diagnosis and patient education in gnathology- a case report	International Journal of Medical Research and Pharmaceutical Sciences	Sept 2017
A Novel Approach to Determine the Aesthetic Inclination of Cast Post Core - Case Report".	Annals of International Medical and Dental Research,	Sept 2017
Full Mouth Rehabilitation Involving Occlusal Plane Correction	Journal of medical science and clinical research	Sept 2017
Innovating Functional Chew In Method To Establish Balanced Occlusion In Complete Denture	Annals of International Medical and Dental Research,	Sept 2017
Herpetiform Ulceration Involving Pharynx	Open Access Journal of Dental Sciences	Sept 2017
Full Mouth Rehabilitation of a Rheumatoid Arthritis Patient - The Muzyanas Challenge	Annals of International Medical and Dental Research	Sept 2017
Inconsiderate try in of Complete Denture Prosthesis - An Iatrogenic Failure	Journal of medical science and clinical research	Sept 2017
A Need to Conduct Problem Oriented Research to Counter Events Like 26/11 - A Review	Journal of medical science and clinical research	Sept 2017
Corrective Prosthodontics - Curating Semi Functional Anterior Guidance in Full Mouth Rehabilitation: Case Report	Journal of medical science and clinical research	Aug 2017
Scheduling multiple surgical procedures in immune compromised rheumatoid patients on immune suppressant regimen	Journal of medical science and clinical research	Aug 2017
Tongue Crenation (Scalloped Tongue) - Case Report	Journal of medical science and clinical research	Aug 2017
Subjective differences between dentists and patients about relative quality of metal ceramic restorations placed in the esthetic zone	Journal of Contemporary dental practice	Feb 2017
Prevalence and severity of temporomandibular disorders among undergraduate medical students in association with khat chewing	The journal of contemporary dental practice	January 2017
A novel impression technique for recording bilateral severe undercuts with rigid impression materials in completely edentulous patients	International dental journal of students research	Oct 2016
Using a partial veneer crown as a conservative retainer in fixed prosthodontics	Med. Res. Chron	2015
Oral lichen planus lesion exacerbation during an episode of stress	Med. Res. Chron,	2015

Comparative evaluation of linear dimensional accuracy and surface detail reproduction of duplicating materials - an in vitro study	International journal of research in dentistry,	Sept,2015
Capillary hemangioma of posterior palatal mucosa	International journal of hematological disorders,	Sept, 2015
Health care precedence for the future	Air and water borne disease	Dec,2015
Comparative evaluation of pressure produced on maxillary denture bearing areas by different impression techniques-an in vivo study	International Journal of Oral Health Sciences and Advances	Feb 2015
Geriatric forensics - part 2 " prevalence of elder abuse and their potential forensic markers among medical and dental patients"	Journal of forensic dental sciences	Sept 2015
Multiple pulp polyps associated with deciduous teeth	International journal of research in medical sciences and technology	March 2015
Acute buccal space infection hampering mastication	International journal of research in medical sciences and technology	March 2015
Speech enhancing prosthesis for acquired cleft palate	Journal of medical sciences and clinical research	Feb 2015
Immediate overdenture - a treatment option for bone preservation	Journal of medical sciences and clinical research,	January 2015
Clinical variables associated with the rehabilitation of a hemi-mandibulectomy patient	Med. Res. Chron.	January 2015
Aesthetic treatment for hyper pigmented gingiva	International journal of research in medical sciences and technology	January 2015
Obturing a pressure draining defect of hard palate	Med. Res. Chron.	January 2015
Designing a cast partial denture for patients with open bite	Journal of medical sciences and clinical research	January 2015
Apprehensions associated with wearing of a cast partial denture	Journal of medical sciences and clinical research	January 2015
Characterizing extreme dehiscence of a maxillary molar	American Journal of Medical Case Reports,	January 2015

Multiple maxillary tuberosity exostosis	Journal of medical sciences and clinical research	January 2015
Recuperating the effects of hereditary enamel hypoplasia- clinical report with review of literature	International journal of research in dentistry	January 2015
Cast partial denture - a non-motivated treatment option in the present era	Med. Res. Chron,	January 2015
Immediate overdenture - an alternative option in preventive prosthodontics	Med. Res. Chron	January 2015
Gnatho dynamic teeth arrangement in complete denture prosthesis	Journal of Medical Sciences and Clinical Research	January 2015
Iatrogenic but preventable periodontal injury while post core fabrication	International journal of research in medical sciences and technology	January 2015
Factors associated with post core correction of malpositioned teeth	International journal of research in medical sciences and technology	January 2015
Synkinesis of facial musculature in a patient with facial paralysis	International Journal of Clinical and Experimental Neurology,	January 2015
Endoscopic Oral Splint - A novel design to aid in diagnosis and treatment related clinical procedures	American Journal of Medical Case Reports,	January 2015
Fordyce granules associated with hypopigmentation of facial skin	Oral Surgery, Oral Medicine, Oral Radiology	Dec 2014
Duplicating palatine rugae in complete denture prosthesis to enhance the relationship between food and taste receptors	Med. Res. Chron.,	Dec 2014
Extending the use of a diagnostic occlusal splint to overcome existing lacunae of vertical dimension transfer in full mouth rehabilitation cases	American Journal of Medical Case Reports,	Dec 2014
Are dental training programs heading towards ecological disaster - Results from a survey	Journal of Atmospheric Pollution,	Dec 2014
Cast foundation restoration for grossly decayed posterior teeth	International journal of research in medical sciences and technology	Dec 2014
Replacement of a mandibular molar with implant retained single crown	Oral Surgery, Oral Medicine, Oral Radiology,	Dec 2014
Muco-Cutaneous keratoacanthoma involving maxillary lip	Oral Surgery, Oral Medicine, Oral Radiology,	Dec 2014

Resin bonded loop connector fixed partial denture - A subtle solution to maintain midline diastema	International Journal of Dental Sciences and Research,	Nov 2014
Precision retained partial denture - A proxy treatment option for full mouth rehabilitation	Med. Res. Chron.,	Nov 2014
"Elucidating the problem of pier abutment through the use of a fixed movable prosthesis - A Clinical case report"	International Journal of Dental Sciences and Research,	Nov 2014
A novel design to allow recording multiple facial measurements without changing subject's position	International Journal of Innovation and Scientific Research	Nov 2014
Utilizing resin cement to conserve natural tooth structure in partial veneer retainers	Med. Res. Chron.,	Nov 2014
Sliding cast post core system - prosthodontic solution for divergent root canal configuration	Journal of medical sciences and clinical research,	Nov 2014
Designing the occlusion for a single tooth implant in a compromised occlusion	Journal of medical sciences and clinical research,	Nov2014
Increasing the durability of food platform area in complete denture prosthesis: a clinical case report	Int J Dent Med Res	Nov 2014
Evaluation of degree of thanatophobia associated with prosthetic rehabilitation of oral cancer patients	American Journal of Medical Case Reports,	Nov 2014
Bilateral smokers melanosis - Rare site of occurrence in an edentulous patient - a case report	Med. Res. Chron.,	Nov 2014
Evaluation of "Multiple Impacts" associated with light motor vehicles	American Journal of Vehicle Design,	Nov 2014
A simple technique to align attachment components in implant supported mandibular overdenture	International journal of research in medical sciences and technology	Nov 2014
Employing Natural Dentition to Rehabilitate a Patient Handicapped by the Effects of Brain Tuberculoma	International Journal of Brain and Cognitive Sciences	Nov 2014

Gingival Prosthesis for aesthetic correction of gummy smile	International journal of research in medical sciences and technology	Oct 2014
A novel approach to manage drug associated xerostomia in geriatric edentulous patients utilizing salivary reservoir in complete denture prosthesis.	European journal of pharmaceutical and medical research	Oct 2014
Selecting the right cement for cast post core crowns - a dental students quandary	Journal of Medical Sciences and Clinical Research,	Oct 2014
Self-Neglect associated with a patient having oral cancer	Journal of Medical Sciences and Clinical Research,	Oct 2014
Eliminating problems associated with making impressions of arch bars in jaw fractures	Int J Res Med Sci Tech,	Oct 2014
Improving esthetics to improve behavior through enhancing phonetics.	Webmed Central Behaviour	Oct 2014
Differences in mental attitude towards extensive dental treatments between two siblings suffering from Amelogenesis Imperfecta -Two Case Reports And Literature Review	International Journal of Dental Sciences and Research,	Oct 2014
Masking the drawbacks of surgical closure of failed oroantral fistula correction with a partial denture prosthesis	Journal of Medical Sciences and Clinical Research,	Oct 2014
Rehabilitation of disfigurement associated with maxillectomy by a cheek plumper prosthesis	American Journal of Medical Case Reports,	Oct, 2014
Prosthetic protection of a healing bone defect caused as a result of chronic suppurative osteomyelitis of the mandible	Journal of Medical Sciences and Clinical Research,	Oct 2014
Designing a fixed partial denture without a pontic- Case report.	Webmed Central Dentistry	Sept 2014
Multiple rare adverse effects associated with long term use of carbamazepine	Journal Of Harmonized Research in Pharmacy	Sept 2014
Simplifying designing of a cast partial denture in Kennedy class 1 partial edentulous situation to enhance its self-cleansing ability.	Webmed Central Dentistry	Sept 2014
Innovating the art of final impression making in restricted oral opening through the use of a sectional impression technique	Webmed Central Dentistry	Sept 2014

Surrogate request for visual brand identification for a completely edentulous patient with dementia	American Journal of Medical Case Reports	Sept 2014
Synchronizing a multi-disciplinary team to rehabilitate an aesthetically handicapped patient suffering from developmental abnormality of amelogenesis imperfecta.	Webmed Central Rehabilitation	Sept 2014
Converting a removable prosthetic option into fixed by using custom made non-rigid connector	Webmed Central Dentistry	Sept 2014
An incumbent clinical approach to determine outline form for functionally generated amalgam stops in complete denture prosthesis	WebmedCentral DENTISTRY	Sept; 2014
A novel technique to fabricate occlusal surfaces for artificial resin teeth in base metal alloys	Int J Innov Sci Res,	Sep. 2014
Psychosocial factors associated with ankyloglossia	J Med Sci Clin Res.	Sept, 2014
Oral lichenoid lesions associated with silver amalgam restorations - A case report.	Journal of Medical Sciences and Clinical Research	Sept 2014
Artless solution to resolve the problem of retention in resorbed alveolar ridge cases.	Webmed Central Rehabilitation	Sept 2014
Symptomatic benign migratory glossitis	International journal of research in dentistry,	July-Aug 2014
Oral Stereognosis pattern in patients with dental prosthesis in the elderly population	Int J Clin Exp Physiol	Aug 2014
Managing a case of sensitive abutment situations through use of a Fixed Movable Prosthesis	J Med Sci Clin Res	July 2014
Comparative clinical analysis of two different approaches of cinematically presented oral health education among patients seeking prosthetic rehabilitation	Journal of Medical Sciences and Clinical Research,	July 2014
Clinical reliability of different facial measurements in determining vertical dimension of occlusion in dentulous and edentulous subjects.	Int J Prosthodont Restor Dent	July 2014
Designing Cantilever Prosthesis: A Case Study	Research & Reviews: A Journal of Dentistry	January 2014
Use of a mouth stick appliance to rehabilitate a quadriplegic patient	Asian Pac. J. Health Sci	January 2014
Rehabilitation of defect caused by primary invasive oral aspergillosis	International journal of research in medical sciences and technology.	January 2014

Restoration of oronasal function in sub mucosal cleft by utilizing a palatal lift prosthesis.	Clinical dentistry	Nov 2012
Finger prosthesis with an alternative approach..	J Coll Physicians Surg Pak.	Nov 2012
Toxicology and biocompatibility of dental materials	Research journal of pharmaceutical, biological and chemical sciences	Oct 2012
Ankyloglossia or tongue tie - problems associated with it	Clinical dentistry.	Aug 2012
Dental orthopedic appliance for nasoalveolar molding of unilateral cleft palate - a clinical report.	Indian journal of dental sciences	March 2012
Incorporating basic principles of support and balanced occlusion to improve longevity of over denture	Dentistry NX	Dec 2011
3-dimensional Facial Reconstruction utilizing Clay	Indian Journal of Forensic Medicine & Toxicology.	July - Dec 2011
Multiple post core crowns.	Clinical dentistry:	July, 2011
Contact burn deformity - fabricating a prosthesis.	Journal of Indian Dental Association	June 2011
Post resection physiotherapy of a hemimandibulectomy patient	Clinical dentistry.	April 2011
Extra oral freeway space determination - an innovative method	Clinical dentistry	March 2011
New business and job opportunities for dentists through recycling of dental materials.	Dental practice The IDA Times	January 2011
An innovative complete denture for a facial paralysis patient.	Clinical dentistry	January 2011
Staining of a fixed partial denture to restore pre extraction self-image.	Journal of Indian Dental Association	Dec 2010
Maintaining diastema in a fixed partial denture - "role of loop connector"	The cusp	Aug 2010
Geriatric forensics: a dentists perspective and contribution to identify existence of elder abuse among his patients	Journal of forensic dental sciences	July 2010
Achieving esthetics by adding gingival porcelain to existing prosthesis - an innovative way.	Journal of Pearl dent	April 2010

Post resection physiotherapy using maxillary guidance ramp in a hemimandibulectomy patient.	Clinical dentistry,	March 2010
Contact burn deformity - fabrication of a prosthesis".	Clinical dentistry	Feb 2010
External eyelid prosthesis with silicone mask to facilitate eyelid closure in a patient with Lagophthalmous	Indian research and review.	January 2010
Prevalence of elder abuse among completely edentulous patients seeking complete denture prosthesis	Journal of The Indian Academy of Geriatrics	Dec 2009
Mandibular tori - difficulties encountered during tooth preparation for a fixed partial denture.	Journal of Anat. Scien.	June 2009
Eco - friendly dentist - simple ways that we can contribute	Indian dentist research and review	January 2009
Books		
Communication with patients seeking prosthetic treatment - An adjunct to treatment success.	Lambert Academic Publishing, Germany	Nov 2012
Role of prosthodontics in forensic odontology	Lambert Academic Pub Medical / Dentistry	May 2012
Articulators and Face-Bow Through the Years- A Comprehensive Review	Lambert Academic Pub Medical / Dentistry	Dec 2013
Post care instructions for dental prosthesis (Fixed)	Lambert Academic Pub Medical / Dentistry	Oct 2013
Errors in impression making (Prosthodontics)	Lambert Academic Pub Medical / Dentistry	Nov 2014
Posters		
Assessment of the post and core fabricated by the final year student at college of dentistry, Jazan University. The 14 th Makkah international dental conference	14 th Makkah international dental conference 28-30	April 2017
Radiographic Evaluation of Post-retained Crowns Fabricated in College of Dentistry, Jazan University	29 th International Saudi conference	Feb 2017

Subjective differences between dentists and patients about relative quality of metal ceramic restorations placed in the aesthetic zone	AEEDC 2017. UAE	Feb 2017
A Descriptive Study to Analyze the Existence of Parent Neglect Associated with the Feeding Style and Social Activity of Obese Individuals	APHA-Council of Affiliates program of the APHA 2017.Atlanta,GA	Nov 2017
