

CHE Department committee

9. Undergraduate Syllabus Committee

Members and details

S. No.	Name
1	Dr. Saleh Matar
2	Dr. Ibrahim Maafa
3	Dr. Samer Hakamy

Tasks

1. To give suggestions for modification of the study plan for the Chemical engineering bachelor program to achieve the quality requirements.
2. Study and compare among our study plan with those in the other local, regional, and international universities to indicate the points of weakness and strength.
3. Modify the syllabus content of the academic courses to improve their outcomes that conform to the Chemical engineering program outcomes.
4. Estimate the facilities and the financial and human resources needed to achieve the program outcomes.
5. Make connection between the package of academic programs suggested from the Department of Chemical Engineering and reinforce their coincidence among them, such as the connection between Bachelor, Diploma, MS.C, and Ph.D. programs to achieve the requirements of job market and, educational and learning quality.
