SUMMARY

I began my pharmacy life at King Abdulaziz University, school of Pharmacy, where I gained my PharmD in 2009. Following this, I earned my MSc from the MCPHs University, Boston , USA in 2016. Then I began my PhD at Cardiff University under the supervision of Dr. Emma Lane and Dr. Louise Hughes and I gained the degree in 2021. My project was focusing on using digital health technology within Parkinson's disease clinical practice.

I am now a lecturer with teaching responsibilities in a range of areas and across all years of the undergraduate programme at the Faculty of Pharmacy, Jazan University.

EDUCATION

1. 2017-2021 PhD Degree in Pharmacy practice, School of Pharmacy, Cardiff University Cardiff, UK. **Thesis topic “:** Exploring the User Perceptions in the Development and Use of an MHealth App for Parkinson's Disease”.
 2. 2014-2016 Master’s Degree of Science in Clinical research, MCPHs University, Boston, USA.
Diploma in Regulatory Affairs, MCPHs University, Boston, USA.
 3. 2003-2009 Doctor of Pharmacy degree (PharmD.), King Abdul-Aziz University, Faculty of Pharmacy, Jeddah, Saudi Arabia.
-
